ROBERT J. SANDY
PRIMARY EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The Applicant filed a Request for Continued Examination on 17 October 2005. The Examiner mailed Notice of Non-compliance Amendment for the claims submitted in the Request for Continued Examination because the Applicant was changing the article claims originally presented in the case with method claims. The Applicant submitted a Request for Reconsideration on 06 January 2006. The Examiner reiterated that the amendment submitted by the Applicant will not be considered because the method claims are not permissible since the article claims were originally elected by original presentation. The Applicant has submitted a continuation for the method claims.
